8:30am to 3:30pm (appointments outside these hours can
be scheduled by emailing dborgerson@westconsho.com

Please Help us with Trash, Recycling and Bulk Pickup

- Make certain the lids are secured on cans so that your trash remains in the containers.
- Break down boxes and secure them in high winds.
- JP Mascaro, our recycling partners, will only collect bags that are clear and see-through blue bags, they will not take any recycling in solid colored bags.
- Bulk Trash is limited to 4 large items.
- Construction materials will not be picked up on bulk pickup days.
- Televisions need to be disposed of through Electronic Recycling Program.

A MESSAGE FROM OUR CODES DEPARTMENT

Can't wait for Spring? Neither can we!!!

Spring cleaning is a great way to refresh your home, but safety should always come first. Here are some essential safety tips:

Declutter - Remove tripping hazards like cords, rugs, and clutter before starting.

Lift Properly - Bend at the knees and lift with your legs to avoid back strain.

Read Labels - Follow instructions and warnings on cleaning products.

Never Mix Chemicals - Avoid dangerous combinations like bleach and ammonia, it creates toxic fumes.

Ventilation is Key - Open windows and doors when using strong cleaning products.

Wear Protective Gear such as gloves, masks, safety glasses and appropriate shoes

Use a Sturdy Ladder - Ensure it's on stable ground and don't overreach.

Unplug Appliances - When cleaning around electrical items, unplug them first.

Be Careful with Water - Keep electrical devices dry & avoid wet hands when plugging in items.

Check Tools - Ensure outdoor equipment (lawnmowers, power washers, etc.) is in good condition.

Be Aware of Allergies - Pollen and dust can trigger allergies so wear a mask if needed.

St Patty's Day Parade In Conshy
Saturday, March 15th @ 2pm
Fayette St
